Dear Program Director,

We are pleased to present the Lamplighter Theatre drama, *Hungering and Thirsting!*

You'll be captivated by the endearing characters who take center stage in our first-ever musical drama.

On a torn scrap of paper, Kitty discovers a strange message that sends her in search of answers: *blessed are they which do hunger and thirst*. Meanwhile, an inspiring young entrepreneur wonders how God can be good if little children like Jamie have to suffer so much.

All is not as it seems in this unforgettable drama that unveils the deep mysteries of life. See unlikely heroes rise to save the day revealing the truth about God and what it means to be truly blessed in the most unexpected of ways!

Enjoy!

The Lamplighter Theatre Team
